Over Under EasyFlo

The first dual band delivery system with independent back-up.

Over Under combines the benefits of Easyflo and new Loopless technology to form the most reliable back-up system available.

Two systems in one

- Dual band delivery system in a single profile
- Back-up band shares optimized injection point and track position
- Back-up initiated manually or automatically
- Independent load, feed and break
- Loopless technology
- Adaptive to any TUSA
